

CACI Hydratone Treatment

An intensive skin hydration and face firming treatment using a mask infused with collagen, hyaluronic acid, rose water and vitamin E. The skin is cleansed and exfoliated before the mask is applied. Dehydrated and environmentally damaged skin is quenched whilst deep lines and wrinkles are plumped out. Leaving the skin looking radiant, softer and more youthful.
20 Minutes £23

CACI Leg and Buttock Lift Treatment

This treatment tackles cellulite, fluid retention and stubborn fatty areas such as thighs and buttocks. The treatment achieves rapid inch reduction as it contours and firms underlying muscle and detoxifies surrounding lymph. A course of 10 treatments is recommended to give long lasting results, followed by a maintenance treatment every 4-6 weeks thereafter.

30 Minutes £31.50

Course of 10 £283.50

CACI Stomach Lift Treatment

This treatment lifts, tones and firms the stomach area giving a more youthful appearance to the stomach. A course of 10 treatments is recommended to give long lasting results, followed by a maintenance treatment every 4-6 weeks thereafter.

30 Minutes £31.50 Course of 10 £283.50

CACI Wrinkle Revolution Treatment

This treatment targets areas of unwanted wrinkles of your choosing. A course of 10 treatments is recommended to give long lasting results, followed by a maintenance treatment every 4-6 weeks thereafter.

A course of 10 treatments is recommended to give long lasting results, followed by a maintenance treatment every 4-6 weeks thereafter.

1 Hour £60

Course of 10 £540

CACI Ultimate Eye Treatment

This treatment includes delicate crystal free microdermabrasion and wrinkle comb with the hydratone mask. Concentrating on the eye area this treatment lifts, smoothes and plumps out fine lines.

A course of 10 treatments is recommended to give long lasting results, followed by a maintenance treatment every 4-6 weeks thereafter.

45 Minutes £45

Course of 10 £406

CACI Crystal Free Microdermabrasion

The skin resurfacing treatment works by gently removing the superficial layer of skin to help improve blemishes, scarring, sun damage, fine lines, wrinkles and stretch marks. LED light therapy is also used in the treatment to target your areas of concern. The hydratone mask is applied to hydrate and calm, leaving your skin brighter, clearer and re-vitalised.

A course of 10 treatments is recommended to give long lasting results, followed by a maintenance treatment every 4-6 weeks thereafter.

45 Minutes £42

Course of 10 £378

CICI Jowl Lift

The CACI Jowl Lift facial has been developed to specifically target muscle laxity around the jawline.

The CACI Jowl Lift facial uses new Quad Probe applicators designed to double the lifting action of the CACI treatment system thereby enhancing results and reducing treatment time.

This 30 minute facial treatment helps to improve the appearance of sagging jowls by using the Quad Probes which have been specifically developed to target the muscles around the jawline.
